### roclamation

After this week only three TO ALL THE GOOD PEOPLE OF LETHER COUNTY:

The good old county of Letcher, the Cradle of Liberty, the The last week will be a gala one Birthplace of Patriotism, is in dire need of Road-work! For reasons well known to you the county has no money to hire this done and your county officials are opposed to Free Labor in the building of roads. That is to say, they are opposed to dragging men from their homes, their farms and their professions six days in the year to do road work without compensation. The season when roads are cut and carved and washed and torn is over; the May days are here, when music floats from every throat, when flowers are springing up on every hillside and along the lanes and the highways need eration of all. There are no pardressing and cleaning, the gullies filled, the rough places smoothed and an immense amount of other work is needed to be done. There are no less than 5,000 able bodied men in Letcher county full of life and love of country, men who at the sound of the tocsin of war in defense of their country without a moment's hesitation would march forth to battle. Now, Letcher county's honor and name and travel-ways and catches every fame is in the mud. The day of battle is close at hand. Now,

> THEREFORE, the undersigned County Judge of Letcher county, by the good graces of all the citizens, declares MAY 12 and 13 son or persons to be benefitted PATRIOTIC ROAD-WORKING DAYS. On these days every citizen, man and boy, is invited of his own free will and accord without restraint of any kind, to march out with tools and do his bes on some county road. He feels and believes that every citizen and every corporation will gladly join in the move and push the work along. Think about it and think what this sacrifice will mean in our county!

Assuring all of my heartiest ambition to do all I can for you and our county, I am,

Very respectfully. JNO. D. FITZPATRICK, COUNTY JUDGE. P.S - United We Stand, Divided - we stick in the mud."

#### Editorially and Otherwise

THE volunteer move to get every friend of good roads, cleanliness and beauty, fully aroused is a project worthy of the considticular sections of roads to be cleaned and repaired but the movement embraces every part of the county including all the work hand, every boy and every citizen. There is no special per but the good resulting is for the enjoyment of all, and no one is to get any honor or credit for the work except those who do it. In simple, it is nothing but a freewill offering for the good of all.

THE names and amounts of al contributors to the Memorial Building Fund will be printed in next week's Eagle. Let yours be among the number. Think how our brave Kentucky boys when the dark, black, billowy clouds of war were rising over with his hordes of cut-throats all, how they sacrificed their all, even the strongest ties, and went forth to battle and often die on the bloody fields of carnage that human liberty might not pass our hands for them, shed our tears for them, sung praises to them, but we have built no last ing monument to speak to those who come after us and tell our appreciation of them. Over the top, as the boys went, let us go.

WE are anxious for the graduorations of their lives-the very best in them. Why do we say this? Because the Eagle wants to print them and will do so provided copies are furnished.

Ten Years of Suffering From Stomach Trouble Ended in Thirty Days, Declares Massillon Woman. Gives Tanluc Full Credit.

"I can say for Tanlac it relieved me in just a month's time of troubles that made my life miserable for ten years" said Mrs. Fannie Mackey, 202 Chestnut St. Massillon, Ohio.

"During all these years I had no appetite and everything I ate hurt me. Often after eating I had a burning sensation like fire in my stomach and was sometimes deathly sick. My liver was sluggish, I was always needing laxatives and I felt miserable all the time. It seems hard to believe that any medicine could do as much as Tanlac has done for me. I have just finished my third bottle now and my stomach trouble is all gone and I am able to eat years. I sleep better and feel better than I ever expected to again and am just delighted with the results I have obtained from Tanlac."
